

Welcome to Kindergarten

Kindergarten is such a fun time to learn and explore! We will have exciting adventures together, learn to read, work on our math skills, do many crafts, organize several skill sheets, and create a lot of projects from scratch. We will need your help this year to make sure that your child will have the supplies that they will need for themselves and also supplies that we will share as a whole group. This is a supply list that will start our school year. We MAY end up needing more as the year progresses, but this will get us started. Please DO NOT label supplies with your child's name – we will be labeling the supplies/folders and sharing with our classmates as well. Please send these supplies with your child (in a shopping bag with their name on the bag). You can send them on the first day of Kindergarten or bring them to Back to School night so we can get started right away!

We are looking forward to the upcoming year that we will spend together!

Thank you & we'll see you soon!

Mrs. Mullenax and Mrs. Amy ☺
